

2021 MOUSBC YOUTH CHAMPIONSHIPS

FRONTIER BOWL O'FALLON, MO

ST. CHARLES COUNTY

COVID-19 POLICIES

As you probably expect, in order to hold this event, we will be subject to the guidelines of the CDC, the State of Missouri, and St. Charles County for occupancy limits and social distancing procedures.

1. St. Charles County Health Department has no mask mandate in effect. Bowling center occupancy limits are 100%, which will allow for parents to accompany their youth bowlers during the squads. You should be prepared for people in the center that do not have masks on.
2. While we understand that this is both a bowling event and a social event, we ask that when you're finished bowling your squad, if there is a squad following yours, that you pack up and exit the building expeditiously.
3. We will NOT be allowing check-in for any squad earlier than one-hour prior to the squad starting time. We ask that you not arrive at the lanes earlier than necessary in order to assist in limiting the number of people in the center at one time.
4. Tournament recaps will be used. If scorekeepers are not present on your squad, we ask that one person from each team take charge of the scoresheet to limit the number of people interacting with the recap boards. They will be sanitized between squads before re-use.
5. We reiterate our change in tournament policies for this year. We will issue refunds prior to bowling FOR ANY REASON up until the end of the tournament. PLEASE, if you're feeling ill on the weekend you are scheduled to bowl, stay home. If you have issue with any of our policies, please understand that we are doing what we think is best for the event. If you disagree, just ask for a refund.
