We realize that this is a scaled-down version of what we normally present at our Annual Meeting and Showcase. When we were in the planning stages of this event, while we were brave enough to decide to go forward with the event, we weren't sure what resources would be available to us if we did. We still aren't certain if there will be representation from Headquarters, although we are hopeful. If there is, there could be an afternoon breakout session on Saturday. We will let everyone know.

We have two classes of Hall of Famers to induct. Let's give them their day and the honor they deserve! Looking forward to a normal year in 2022!
