TOURNAMENT RULES

1. This tournament is certified by the USBC and entry is open to all MOUSBC members, not just Showcase attendees.
2. Teams consist of two players. Six games will be bowled on one pair of lanes. Baker format means that bowlers alternate shots, working on the same game. Bowler on the left always bowls on the left, and vice versa.
3. Team average will be used, combining the highest 2021-2022 averages for each bowler. Without a 2021-2022 average, bowlers use highest 2022-2023 average of 21 games or more. Bring proof of average. All others enter at 230.
4. Handicap is based on 45% of the difference between the team average total and 460.

*if using Credit Card, a 4% Convenience Fee will be added to cover charges
